Mr. William Terry  
Production Director  
Radio Station WDBS  
Hanover, N.H.

Dear Bill:

I don't like to keep pressing the matter, but would you please see to it that the transcription of the interviews with Presidents Seymour and Griswold is returned to us immediately. We need the disc to make some dubbings.

If you have already done this in the past week, please disregard this. If you sent it a while ago, we had better start trying to trace it.

Cordially,

THE YALE BROADCASTING COMPANY
